ABSTRACT

The 1974-75 Directory of Health Occupations Education Programs in Florida provides a comprehensive listing of programs including administrators and instructors in the secondary schools, area vocational-technical centers, technical institutes, and community colleges. District schools offering programs in health occupations education are listed on pages 19 through 57. Community colleges offering programs in health occupations education are listed on pages 58 through 77. The four-digit number shown at the end of each program title is a course code number as contained in the publication The Accreditator and is for reporting purposes. The 10-digit number in parenthesis following the accreditation number is an assigned U.S.O.E. code number. Only titles of programs are listed, no descriptive information is provided. (Author/BP)

FOREWORD

The 1974-75 Directory of Health Occupations Education Programs in Florida is a comprehensive listing of programs including administrators and instructors in the secondary schools, area vocational-technical centers, technical institutes, and community colleges.

District schools offering programs in health occupations education are listed on pages 1 through 39. Community colleges offering programs in health occupations education are listed on pages 40 through 59.

The four digit number shown at the end of each program title is a course code number as contained in the publication The Accreditator and is for reporting purposes. The ten digit number in parentheses following the Accreditation number is an assigned U.S.O.E code number.

e.g., Health Service Aide - 3040 (17.03990600)

This directory has been compiled by the Technical and Health Occupations Education Section of the Florida Department of Education from data submitted by county school districts and community colleges and has been distributed to those persons having responsibilities for health occupations education and to the State Advisory Committee for Health Occupations Education.

Additional copies of the directory are available upon request from the Technical and Health Occupations Education Section, Bureau of Vocational and Adult Programs, Division of Vocational, Technical and Adult Education, Florida Department of Education, Tallahassee, Florida 32304.
